## Open to Public Inspection

## Before You Begin

Visit [www.CharitiesNYS.com](http://www.CharitiesNYS.com) and search the Charities Registry to find your organization's NY State Registration Number (##-##-##) and Registration Category (7A, EPTL, DUAL, or EXEMPT). Knowing your organization's Registration Category will help you respond to Sections 1 and 3, determine the required attachments to the CHAR500 and calculate your filing fee. If your organization is not registered with the Charities Bureau, please complete CHAR410 "Registration Statement for Charitable Organizations".

## 1. General Information

Enter the accounting period covered by the report. Provide the best contact information for your organization. This information will be publicly available in the Charities Registry and will be used for communication to your organization. If your organization is registered and this is your regular annual filing, check *Initial Filing*. If your contact information needs to be updated, check *Address Change* and/or *Name Change*. Check *Amended Filing* if you are making a change to a previous filing. If you have submitted a CHAR410 - Registration Statement for Charitable Organizations - but do not yet have a NY State Registration Number, check *NY Reg Pending*. If this is a final filing and the organization is seeking dissolution or ceasing operations, check *Final Filing* and submit all applicable IRS schedules and attachments. If your organization is a NY corporation, visit [www.CharitiesNYS.com](http://www.CharitiesNYS.com) for information on how to dissolve. Check the Charities Bureau Registration Category of your organization (7A, EPTL, DUAL, or EXEMPT). EXEMPT organizations are those that have registered with the NY Charities Bureau and meet conditions in [Schedule E - Registration Exemption for Charitable Organizations](#) - but have registered and file voluntarily.

## 2. Certification

When you have completed the form, sign and print the name, title and date. For 7A and DUAL filers, the CHAR500 must be signed by both the president or another authorized officer and the chief financial officer or treasurer. These must be different individuals. EPTL filers have the option of a single signature if the certification is by a banking institution or a trustee of a trust. Clearly state the title of the representative (e.g. "President," "CEO," "Treasurer," "CFO," "Bank Vice President" or "Trustee").

## 3. Annual Reporting Exemption

You may claim an exemption from the reporting and fee requirements if you meet the filing exemptions applicable to your organization. If claiming an exemption under one statute (7A and EPTL only filers) or both statutes (DUAL filers) that apply to your registration, complete only parts 1, 2, and 3, and submit the certified Char500. No fee, schedule, or additional attachments are required. Otherwise, file all required schedules and attachments and pay applicable fees.

Note: A 7A or DUAL filer with contributions over \$25,000 that did not contract with a professional fund raiser may check the 7A filing exemption in Part 3 if it (i) received all or substantially all of its contributions from a single government agency to which it submitted an annual report similar to that required by Executive Law Article 7A, or (ii) it received an allocation from a federated fund, United Way or incorporated community appeal and contributions from all other sources did not exceed \$25,000.

## 4. Schedules and Attachments

If you do not qualify for the reporting exemptions as described in Part 3, review the checklist of schedules and attachments required to complete your filing. If your organization qualified for and submitted an IRS 990-N "e-Postcard", you must complete and submit an IRS Form 990-EZ to the NY Charities Bureau for reporting purposes. The NY Charities Bureau will not accept an IRS 990-N "e-postcard" because it does not contain sufficient financial information.

## 5. Fee

Your total fee is based on your registration category (7A, EPTL or DUAL). 7A or EPTL filers only pay the fee that applies to the statute under which they have registered unless they have claimed an exemption in Part 3. DUAL filers must pay both fees, unless they have claimed an exemption in Part 3. Consult the CHAR500 to calculate your fee or contact the NY Charities Bureau if you have additional questions.

## When to Submit Your Filing

7A and DUAL filers: postmarked within 4 1/2 months after the organization's accounting period ends. For example, fiscal year end December 31 reports are due by May 15th of the following year. EPTL filers: postmarked within 6 months after the organization's accounting period ends. An additional 180 day extension is automatically granted. [Information regarding extensions](#) is available at [www.CharitiesNYS.com](http://www.CharitiesNYS.com).

## Where to Submit Your Filing

Payment must be made to the "Department of Law". Send the complete filing with payment to:  
**NYS Office of the Attorney General, Charities Bureau Registration Section, 28 Liberty Street, New York, NY 10005.**

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **India Home Inc.**, as of June 30, 2021 and June 30, 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**2. Significant Accounting Policies**

**Basis of Accounting**

The Organization prepares its financial statements in accordance with Generally Accepted Accounting Principles promulgated in the United States of America (U.S. GAAP) for NFPs. The significant accounting and reporting policies used by the organizations are described subsequently to enhance the usefulness and understandability of the financial statements.

**Basis of Presentation**

The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

**India Home Inc.**  
**Notes to Financial Statements**  
**June 30, 2021 and 2020**

**Net assets without donor restrictions**

Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Board may designate assets without restrictions for specific operational purposes from time to time.

**Net assets with donor restrictions**

Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

All revenues and net gains are reported as increases in net assets without donor restrictions in the statement of activities unless the use of the related resources is subject to temporary or permanent donor restrictions. All expenses and net losses other than losses on endowment investments are reported as decreased in net assets without donor restrictions. Net losses on endowment investments reduce net assets with donor restrictions to the extent that net gains of the fund from prior years are unspent and classified there; remaining losses are classified as decreases in net assets without donor restrictions. If an endowment fund has no net gains from prior years, such as when a fund is newly established, net losses are classified as decreases in net assets without donor restrictions. There are no net assets with donor restrictions at June 30, 2021 and 2020.

**Grant Receivable**

Grant receivables are primarily unsecured non-interest-bearing amounts due from grantors on cost reimbursement or performance grant basis. Grant receivable that are expected to be collected within one year are recorded after the service is rendered or when cost is incurred. Management believes that all outstanding grants receivables are collectible in full; however, an allowance for uncollectible receivables has been provided and adjusted annually.

**Revenue recognition in accordance with ASU 2018-08**

The Organization records program fees receivables and revenue when earned based on the established third-party reimbursement rates for services provided.

Contributions are recognized at the earlier of when cash is received or at the time a pledge becomes unconditional in nature. Contributions are recorded in the net asset classes referred to above depending on the existence and/or nature of any donor-imposed restriction. When a restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions. If donor restricted contributions are satisfied in the same period they were received, they are classified as without donor restrictions.

**India Home Inc.**  
**Notes to Financial Statements**  
**June 30, 2021 and 2020**

**Revenue recognition in accordance with ASU 2018-08 (Continued)**

Contributions expected to be received within one year are recorded at net realizable value. Long-term pledges are recorded at fair value, using risk-adjusted present value techniques. Conditional contributions are recognized as income when the conditions have been substantially met.

Management assesses the collectability of all outstanding receivables based upon historical trends and experience with donors. Based on that review, management has concluded that all receivables are collectible. As such, no allowance for uncollectible accounts was deemed necessary.

**Gifts-in Kind Contributions**

The organization periodically receives contributions in a form other than cash or investments. If the organization receives a contribution of land, buildings or equipment, the contributed asset is recognized as an asset at its estimated fair value at the date of gift, provided that the value of the asset and its estimated useful life meets the organization's capitalization policy. Donated use of facilities is reported as contributions and as expenses at the estimated fair value of similar space for rent under similar condition. If the use of the space is promised unconditionally for a period greater than one year, the contributions is reported as contribution and an unconditional promise to give at the date of gift, and the expenses is reported over the term of use. Donated supplies are recorded as contributions at the date of gift and are expensed when the donated items are placed in service or distributed.

**Cash Equivalent**

Cash are short term, interest bearing, and highly liquid investments with original maturities of three months or less, unless the investments are held for meeting restrictions of a capital or endowment nature. Cash equivalents at June 30, 2021 and 2020 are \$286,511 and \$545,061 respectively.

**Concentration of Credit and Investment Risk**

Financial instruments that potentially subject the company to concentrations of credit risk consist principally of cash accounts and money placements in financial institutions, which from time to time, exceed the Federal depository insurance coverage limit and the Securities investor protection coverage limit, respectively. The Company maintains its cash balances and money placements at financial institutions in New York. The accounts at these institutions are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 in June 30, 2021 and 2020 for cash balances.

However, any income from certain activities not directly related to the organization's tax-exempt purpose would be subject to taxation as unrelated business income. There was no unrelated business income for the year ended June 30, 2021.

The tax effect from an uncertain tax position is recognized in the financial statements only if the position is more likely than not to be sustained on audit, based upon the technical merits of the position. For tax positions meeting the more likely than not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant tax authority. Management has applied the standard to all tax positions for which the statute of limitations remained open and there was no material effect on the financial statements.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, the organization's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The organization's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

**Property, Plant and Equipment**

Property, Plant and Equipment are reported in the statement of financial position at cost, if purchased, and at fair value at the date of gift, if donated, less accumulated depreciation. All land and buildings are capitalized. Equipment is capitalized if cost is material and useful life is more than one year. Repairs and maintenance that do not significantly increase the useful life of the asset are expensed as incurred. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, as follows:

**Notes to Financial Statements**  
**June 30, 2021 and 2020**

**Property, Plant and Equipment (Continued)**

**Expense Recognition and Allocation**

The cost of providing the organization's programs and other activities is summarized on a functional basis in the statement of activities and statement of functional expenses. Expenses that can be identified with a specific program, management and general, and fundraising costs are charged directly to that program, management and general, and fundraising costs. Costs common to multiple functions have been allocated among the various functions benefited.

Management and general expenses included those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the organization.

**Expense Recognition and Allocation (Continued)**

Fundraising costs are expensed as incurred, even though they may result in contributions received in future years. The organization generally does not conduct its fundraising activities in conjunction with its other activities. In the few cases in which it does, such as when the annual report or donor acknowledgements contain requests for contributions, joint costs have been allocated between fundraising and management and general expenses in accordance with standards for accounting for costs of activities that include fundraising. Additionally, advertising costs are expensed as incurred.
